

AMBER BLAZE COLLECTION

Exquisite Handcrafted Bathroom Accessories

Introducing the Zodiac Amber Blaze Collection - inspired by the captivating beauty of fire. Each hand-blown piece reflects the gentle movement of flames, with rich tones of amber, soft smoke, and glowing gold flowing through crystal.

Designed to shine under warm lighting, this collection brings a sense of comfort, depth, and quiet luxury to your bathroom - like glowing embers at sunset. The smooth, sculptural shapes mirror the natural flow of heat and the timeless power of fire.

**Feel the warmth. See the glow.
